DEAR PARISHIONERS

This is Hyland Smith's last weekend here with us. He will be returning to Mundelein Seminary to continue his preparation for the priesthood. Hyland has been a wonderful addition to our parish family. He has been an inspiration to me and a joy to have around the rectory. Hyland has three more years of seminary before ordination to the priesthood. Thank God for his willingness to surrender himself to God as he continues to discern and prepare to live the vocation of the priest.

I know you have also been very kind and this parish has had a great influence on Hyland. Thank you for your generous response. Please continue to keep Hyland and all our seminarians in your prayers. From my days in the seminary, I know how necessary those prayers are. We will have a reception for Hyland in the gym after the 10:30 Mass this weekend. Please come to thank Hyland for his service here and to support him in his discernment toward the priesthood.

Please extend a hearty welcome to our new Music Director Jody Kienzler. I am very grateful for her willingness to serve our parish in this capacity. Jody brings a wealth of talent and experience and I know we can expect great things from her music in our liturgies in the future. I know that if you have any musical gifts you would like to put at the service of the Church, Jody would appreciate the opportunity to work with you.

School begins this week. Welcome back to our teachers, staff, and students! In our new construction, we see in a very physical way the dedication of our parish to Catholic education. This apostolate requires constant effort and vigilance. It is a sacred task to form our young children to be good, happy, holy Catholic citizens. Thank you all for your generous response to this mission of our parish. Please continue to keep all those associated with our school in your prayers.

Work on our Building on Tradition project continues to progress. The walls we see being built now are for the new gym. Foundations are also being prepared for the walls of the three wings that will surround the gym. The existing gym, the art room, and the preschool room on the south side of the existing school are all ready for school to start this week. Once school starts, the workers will be concentrating their efforts on the addition and finishing up the elevator. As work continues, please keep this work and safety of the workers in your prayers.

Sincerely in Christ,
Fr. Dave Hoefler

ARE THEY LOOKING FOR WHAT YOU HAVE?

....Oops, no, not the government. Rather, perhaps you know someone who seems to be in search of something of true meaning in his or her life. You can inform them about RCIA. No, don't "hound" them; just let them know that there is a program starting at 7:00 PM on September 9 at the rectory basement meeting room that offers to address their questions about the Catholic faith. The Rite of Christian Initiation of Adults (RCIA) will be explained so they can determine if this may be where they are being drawn.

If they, or you, would like more information, please contact the office at 528-7521. Also, maybe offer to go with them to the first meeting or two. This is "Doing Christ's Work." Remember: No obligations. No strings. No one will knock on their door.

WINE DONATIONS NEEDED

To fill our "Wall of Wine" fundraiser for the Blessed Sacrament School Auction, we need your donated bottles of wine. Bottles valued at \$10 or more are greatly appreciated! Please drop them off in the parish or school office. Thank you!

FALL ADULT FAITH FORMATION STUDY

Ladies: Have You Ever Wondered, "What Is The Meaning and Purpose of My Life?" or, "How Do I Find Happiness and Fulfillment?" If you're wondering if there's more to life than just "getting by" and are ready to focus on what really matters, then discover the extraordinary Catholic teaching known as the Theology of the Body. It will give you a revolutionary and fulfilling vision for life, as it offers a new way to authentically see yourself, your faith, your relationships, and your world.

Given to us by Pope John Paul II, the Theology of the Body is renewing marriages, awakening vocations, healing deep personal wounds, and setting people free to live the life of greatness to which we are all called.

In *An Introduction to the Theology of the Body: Discovering the Master Plan for Your Life*, an adult faith formation program, renowned author and theologian Christopher West unfolds God's extraordinary plan for all of humanity. If you desire to live out the fullest meaning and purpose of your life, then join us for this amazing study!
